### Warning

- When it comes with adjusters, stabilizer feet TLP-F are required at both ends and at least every 2 spans of linear connection, regardless of the width and height dimensions.
- For use with caster specs, simplified fixed connection resin set can not be used. Be sure to use the movable coupling set TLP-JK series.
- Not possible to link adjuster specs and caster specs.
- The place of use for TLP-K (caster leg) must be specified when ordering.
